Our Scheduled/Structured Activities:

Monday—Language Discovery

Learn and explore new languages with an emphasis on Mandarin Chinese and Spanish.

Tuesday—Cultural Arts and Craft

Create while exploring different cultures. There is a country of study each month along with a famous person from that country.

Wednesday—World Geography

Learn geography basics including map and directional skills. In addition, learn about the geography of different countries and continents.

Thursday—Game/Puzzle Discovery

Play several board games and learn how to share, cooperate, and be a good sport along with solving various puzzles.

Friday—Movies and Popcorn Fun

Take a break from the long week to relax, talk, eat popcorn, watch a movie, and look forward to the weekend
